COMMUNITY SERVICE

Enfield Loaves and Fishes

C&S Windsor Locks is dedicated to giving back to our local communities. One avenue we can take is to assist our local food pantries and soup kitchens to reach their goal of providing nutrition to those individuals less fortunate than us.

On Thursday, August 20, 2009, eight employees from our facility and two family members spent four hours helping in the **Enfield Loaves & Fishes** soup kitchen. The employee volunteers unloaded delivery trucks, stocked the pantry, trimmed the bushes, mowed the lawn, painted window frames, served food to the patrons and helped clean-up the dishes and kitchen when the meal was over.

We plan to help the Enfield Loaves & Fishes periodically throughout the year. We will post the specifics when they are finalized. If you want more information or want to be notified when we plan another event like this one, please contact anyone in our Human Resources Department.

Thanks to:

Lenford Ellis, Luis Bajana, Marcellena Fernandez, Mark Weller, Susannah Hayford, Eric Paige, Jim Ross and Doug Vaughan for their time and effort!!!!
